PARAKAI SCHOOL NEWSLETTER - 2019 / ISSUE 2

Friday 15 February 2019

Dear Parents and Caregivers,

Our senior leadership team and I have been collecting voices from teachers, support staff, children, parents and outside agencies to enable us to form a Strategic Plan and an Annual Plan, which would set us up for effective teaching and learning with a clear view of improving outcomes for our children.

Here are the top criteria so far:

Teachers' Voices:

- For families and children to feel safe and that they belong in our wonderful school.
- To build resilience, confidence, self-belief and relationship skills.
- For our children to be open to new learning, to be curious, collaborate and build a love for learning.
- For our children to set and achieve their learning, social and emotional goals.

Students' Voices:

- To be more confident, to get along with other kids, to bounce back quicker, not to give up and to take on more challenges.
- To be able to try new things and get help in my learning from my teacher and buddies. To make small learning goals and work hard at them.
- To be involved in more sport that the school offers.

Parent / Community Voice:

We have received a few comments that we will share in the next newsletter. We have a survey going out on Monday, which will add to the parent and community voice.

It was remarkable to note that most adults and children focussed on building similar things - such as confidence and people skills. This follows what current research proves in that we need to build our children's self-belief and sense of belonging, while we motivate and engage in learning.

Congratulations to the following students who form our Student Council:

Head Students: Harrison (LS3) and Hazel (LS3)

Deputy Head Students: Logan (LS3) and Kasey (LS3)

Ezra (LS3), Violet W (LS3), Taylah (LS3) and Blake (LS2) will work alongside our head and deputy head students. We are very proud of these students for stepping up as GREAT citizens. We wish them all the very best in their growth as leaders.

We look forward to seeing the entire school community next Thursday from 4.30 - 6.30pm. All children are to attend in their school uniform as it is part of our school activities.

Kind regards,
Mrs Choromanski

We welcome you to join us for our school

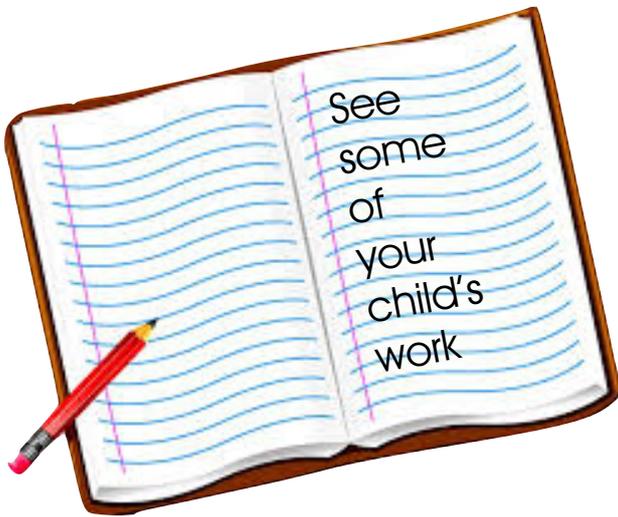

Parent Community Evening

When:

Thursday 21st February

Time:

4.30pm - 6.30pm

Learn about how your child learns in their Learning Space

Find out a little bit more about your child's teacher

Ask the teacher any questions you may have

Meet other parents from your child's Learning Space

Parakai School has
a vision for 2019.

Come and find out
what is happening.

Enjoy a
FREE

See you
there!
