

WELCOME TO TERM 4

What are we learning about this term in Learning Space 1

WRITING & READING

Students will focus on structure and language features when reading a range of narrative texts, using 'Connect - Extend - Challenge' to make meaning. Similarly structure and vocabulary will be the focus in our writing unit, 'Telling Our Stories', in which the students will be creating narrative texts to entertain and convey a message.

MATHEMATICS

Our main focus will be:

Number and Algebra-(Patterns and Relationships) then:

Geometry and Measurement (Time, Rate and Change) later in the term.

VISUAL ART

Students will create artworks using printing techniques.

PHYSICAL EDUCATION

Our focus is on Athletics, Touch and summer sports.

INQUIRY

Our Major Inquiry Focus is 'Celebrations Around The World'. We will investigate celebrations from around the world and using skillful compare and contrast find similarities and differences. Then they will choose a celebration and create a class performance to celebrate and share with our community.

HOME LEARNING

All reading and maths homework will be on Mathletics, Wushka and Epic Books which are online. This learning will support what students are doing in class. If your child does not have access to the internet, ipads will be available at certain times at school for them.
