

# WELCOME TO TERM 4

What are we learning about this term in Learning Space 4

## Inquiry

Our Major Inquiry Focus is 'Celebrations Around The World'. We will be investigating celebrations from around the world and using skillful compare and contrast, find similarities and differences. Then we will choose a celebration and create a class performance to celebrate and share with our community.

## Writing / Reading

Students will focus on structure and language features when reading a range of narrative texts, using 'Connect - Extend - Challenge' to make meaning. Similarly structure and vocabulary will be the focus in our writing unit, 'Telling Our Stories', in which the students will be creating narrative texts to entertain and convey a message.

## Mathematics

Our main focus will be Number and Algebra-(Patterns and Relationships) then Geometry and Measurement (Time, Rate and Change) later in the term.

## Physical Education

Our focus is on Athletics, Touch and summer sports.

## Visual Art

Students will create artworks using printing techniques.

## Homework in Term 4 :

All reading and maths homework will be on Mathletics and Wushka which are both online. This learning will support what students are doing in class. If your child does not have access to the internet, ipads or chromebooks will be available before and during school for them.
